

Technical Data Sheet

ESN410-9026

Kombi Ton Base

Product description

Waterborn stain base for interior fitting and furniture. May be applied on most wooden substrates. Offers a more even appearence than solventborn stains. Gives more grain raising compared to solventborn stains espacially at veener joints. Does not hide glue lines. Not to be overcoated with acid catalyst lacquers. Provide for good cleaning since the product can contain binders,

Product data

Gloss: N/A Gardner 60°

Solid content: 9±1 [weight %] theoretical

Specific gravity: 1060±10 [kg/m³]

pH: 7-9,5

Frost sensitive: Yes

Storing: 6 months At 5-30 °C

Storing at higher temperature reduces shelf life, do not expose to direct sunlight

Process Temperature: 18-30 °C To achive the best result and consistency follow the application and surface temperatures

given in Schedule of Apllication for each specific technology and production line.

Mixing/Application

Recommended application Amount Application Application method Hardener hardener Dilutant viscosity amount Notes

water

Stir well before use!

Cleaning: XX699

Water

Drying

Method Drying condition Drying time Notes

Air Drying 20 °C 2-4 h depends on amounts Forced drying 50 °C 10-20 min depends on amounts

All kind of drying requires good ventilation and circulation Do not stack before surface temperature below 30 °C

Curing

Hg lamps (280-320 nm) Hg Ga lamps (390-450 nm) Ga

Full cure N/A Semi cure N/A

Note - Required Peak/Energy is depending on several factors, such as substrate, amount of application, number of layers and type of UV oven / reflectors. Recommended Peak/Energy values will be stated in the finishing instruction/process control submitted by technician.

General information

According to Swedish legislation we provide information regarding dangerous materials. The Safety Data Sheet contains facts about the components, primarily solvents and acids which present the dangerous characteristics. The Safety Data Sheet will be sent on request. All values and recommendations above are to be considered as guidance only. Many factors beyond our control may have an influence on the coating result. Should a problem arise, please contact us and we will advise accordingly. We reserve the right to alter the above specifications.
